**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**  
**BASED UPON FAILURE TO RECEIVE OFFICE ACTION**  
**(MPEP §711.03(c) I. A and 37 CFR §1.181)**

Mail Stop PETITION  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Notice of Abandonment of 11/20/2007 for non-payment of the Issue and Publication Fees, Applicants hereby Petition to Withdraw the Holding of Abandonment Based Upon Failure to Receive the Notice of Allowance (MPEP §711(c) I. A and 37 C.F.R. §1.181).

The basis for this petition is that the Notice of Allowance mailed on 7/26/2007 to the undersigned Attorney of Record was not received.

In support of this Petition is the following showing:

1. A Statement by the undersigned Attorney of Record (practitioner) responsible for prosecuting this application:

(i) stating that the Notice of Allowance and Fee(s) Due mailed 7/26/2007 was not received at the correspondence address of record of the USPTO;

(ii) describing the docketing systems used for recording an Office Action received from the USPTO and the reliability of such systems; and

(iii) that a search of the undersigned records including docketing systems, and the file jacket and application contents showed no record or indication that the Notice of Allowance and Fee(s) Due was received.

2. Copies of listings of the two master docketing/calendar systems : Week-at-a-Glance Professional Appointments (pdf files DKT-1, DKT-2 and DKT-3) and Outlook Calendar (pdf file OL\_Calendar\_8-11-2007) used by the undersigned to record receipt of an Office Action for the five months July 2007 through November 2007 encompassing the mailing date (7/26/2007) of the Notice of Allowance and one full month past the due date of 10/26/2007.

3. Copy of an RCE with Return Receipt Postcard and Check No. 1387 showing the USPTO mail room date stamp of May 2, 2007 ( pdf file RCE\_PC&Check).

4. Copy of an IDS with Return Receipt Postcard and Check No. 1408 showing USPTO mail room date stamp of June 7, 2007 (pdf file IDS\_PC&Check).

5. Copy of Office Communication directed to the undersigned at the correspondence address of record dated 8/29/2007 (pdf file Off\_Comm\_8-29-07) acknowledging an IDS.

### REMARKS

Based upon the enclosed Statement of the undersigned Attorney of Record that after a search of the docketing records where an Office Action from the USPTO would be recorded, and a search of the file jacket of Application Serial No. 10/051,339 (Attorney Docket No. E003-1006US0), there is no record of the Notice of Allowance of 7/29/2007 having been received.

Moreover, the return Receipt Postcard and Check 1387 (Item 3 above) shows that Applicants filed an RCE and a fee of \$910 with the Office on May 2, 2007 in this application, and the Return Receipt Postcard and Check 1408 (Item 4 above) shows that Applicants filed an IDS with a fee of \$180 on June 7, 2007, less than two (2) months prior to the mailing of the Notice of Allowance on July 26, 2007. The diligence with which Applicants had prosecuted this application, coupled with these two recent filings and the large fees paid to the Office to advance prosecution just prior to the date of the Notice of Allowance demonstrate that Applicants were actively pursuing this application to an allowance, and that the undersigned was keenly concerned about its progress in the Office.

Additionally, the Office Communication dated August 29, 2007 (item 5 above) which was correctly received by the undersigned at the correspondence address of

record on September 2, 2007, provided reassurance that Office had the correct correspondence address, that this application was on-track and actively being examined, and that further communications from the Office would be forthcoming. Had the Notice of Allowance been received, it would have been welcomed and the fees promptly paid.

It was not until the Notice of Abandonment was received on November 26, 2007 that the undersigned became aware that a Notice of Allowance had, in fact, been mailed and was past due.

It is respectfully submitted that in view of the above and the attached showing, the evidence clearly points to the conclusion that the Notice of Allowance was not received by the undersigned at the correspondence address of record.

Accordingly, it is respectfully requested that this Petition be granted, that the Holding of Abandonment be withdrawn, and that a new Notice of Allowance be mailed.

Dated: November 27, 2007

Respectfully Submitted,

correspondence address of the application). This was the first notice by the undersigned that a Notice of Allowance had issued in connection with this application. A copy of the Notice of Allowance and Fee(s) Due showing a mailing date of 7/26/2007 was then obtained from Private PAIR.

2. After a careful check of the file jacket of this Application Serial No. 10/051,339 (Attorney Docket No. E003-1006US0), and the undersigned's records and systems, the undersigned states that the Notice of Allowance and Fee(s) Due mailed 7/26/2007 was not received at the correspondence address of record of the USPTO.

3. The undersigned is a sole practitioner. He receives all mail, and personally reviews, docketing and reports to clients all Office Actions received from the USPTO. Two separate docketing (calendar) systems are used for docketing Office Actions. The primary system is a manual system, comprising a Week-at-a-Glance Professional Appointments calendar, into which due dates of all received Office Actions or other patent related due dates are manually entered personally by the undersigned. Applications are identified in the docket by Attorney Docket Number. The Attorney Docket Number for this application is E003-1006US0.

4. The second docketing system is the Microsoft Outlook e-mail computer software calendar. Due dates for received Office Actions are also manually entered promptly by the undersigned into the Outlook calendar at the same time they are entered into the Week-at-a-Glance calendar, and an automatic reminder date of two weeks in advance of due dates is set. Office Actions are reviewed initially by the undersigned upon receipt for docketing of due dates, and Office Action due dates are entered into the

two docketing systems promptly upon receipt. Office Actions are then entered into the file jackets. Subsequently, the Office Actions are reviewed a second time more thoroughly and reported to clients. This second review includes verifying the previously docketed due dates.

5. The foregoing described approach and docketing systems are reliable. Microsoft Outlook is used daily as an email client by the undersigned, and the Outlook calendar automatically prompts the undersigned with reminders in advance of due dates. Both docketing system are reviewed daily for upcoming due dates. The undersigned has not failed to correctly docket an Office Action, and has not misplaced an Office Action after receipt or otherwise overlooked a due date using this approach and these docketing system.

6. Upon receipt of the Notice of Abandonment of 11/20/2007, the undersigned promptly conducted a complete search of the undersigned's records including docketing systems, and the application file jacket and contents. The docketing systems and the application file had no indication that the Notice of Allowance and Fee(s) Due was ever received.

7. Enclosed are copies of listings of the two master docketing/calendar systems for the five months July 2007 through November 2007. This includes the mailing date of 7/26/2007 of the Notice of Allowance, three (3) months past the mailing date to the due date of 10/26/2007 for paying fees, and a whole month past the due date. The Week-at-a-Glance Professional Appointments 2007 docketing/calendar copies comprise 40 pages in three pdf files (DKT-1, DKT-2 and DKT-3). The Outlook docketing/calendar

copies comprise 5 pages in one pdf file (OL\_Calendar\_8-11-2007). (In addition to Office Action due dates, the Microsoft calendar is used to calendar other important dates.) These docketing calendars show no indication of a Notice of Allowance having been received for Attorney Docket No. E003-1006US0, the docket number for this application.

8. Moreover, the undersigned has no recollection of having received the Notice of Allowance for this application. In fact, the undersigned anticipated that a response from the Office to the RCE filed on May 2, 2007 (see enclosed pdf file RCE\_PC&Check) would be forthcoming, and was on the lookout for an Office Action. The Office Communication dated 8/29/2007 (see enclosed pdf file Off\_Comm\_8-29-07) acknowledging an IDS reassured the undersigned that the Office had the correct correspondence address for the application and that the application was being actively examined by the Office.

9. It was not until the Notice of Abandonment was received on November 26, 2007 that the undersigned realized that a Notice of Allowance had, in fact, been mailed and was past due. Prior to the Notice of Abandonment of November 26, 2007, the undersigned was unaware of the Notice of Allowance and Fee(s) Due. Dated: November 27, 2007
